--	--

CONDITIONS:
1. The product shall be manufactured in accordance with the appropriate Sydney Water Engineering Product Specification (EPS) as revised and/or amended.
2. Each product or packaging shall be marked with the Sydney Water's approval number or bear a product certification mark acceptable to Sydney Water.
3. Any changes in design, materials, method or location of manufacture, models or ownership shall necessitate resubmission for approval.
4. The product shall be installed in accordance with the Sydney Water Standards as revised and/or amended.
5. Approval is granted for a period of three (3) years, subject to satisfactory performance in service, and continued compliance with the Sydney Water EPS and Quality Assurance Policy. Approval may be withdrawn at any time.
6. No claim shall be made through advertising, promotion or in any other way that the product has been approved or tested by Sydney Water other than in the specified terms of the approval.

Signed:  Date: 14th May 1996
