

LEAP™ GASTITE WARRANTY CERTIFICATE

INTRODUCTION

LEAP Australasia Ltd warrants the GasTite Piping Systems (pipe and fittings) for 25 years from the date of manufacture against defects in manufacturing, provided that the installation is carried out by a licensed gasfitter, in accordance with the latest version of our GasTite Installation Guide and complies with all local and national gasfitting regulations.

APPROVALMARK LICENSE

We also certify that the GasTite Piping System is licensed by ApprovalMark International and complies with the requirements of joint Australian and New Zealand Standard AS/NZS 2492, AS/NZS 2537.2, AS 4176.2 and AS 4176.3.

WATERMARK LICENSE

GasTite is manufactured under Watermark License No. WM 74687 / 74688 / 74712 / 74713 and is approved for use in all states of Australia and New Zealand subject to the installation requirements outlined in the AS/NZS 5601:2013 Gas Installations and any local authority requirements. The GasTite Piping Systems meet the requirements of the New Zealand Building Code Durability Clause and the approved document G10 Pipe Services Verification Method.

GasTite pipe and fittings are compatible for use and interchangeable with other brands of cross-linked PEX multi-layer pipe and fittings which have been manufactured and certified to AS/NZS 2492, AS/NZS 2537.2, AS 4176.2 and AS 4176.3 **and dimensionally compatible**. The 25-year warranty of GasTite pipes and fittings will not be affected when used with such certified cross-linked PEX multi-layer piping systems.
